About The Chamber of Hong Kong Listed Companies

Incorporated in September 2002, CHKLC is a non-profit organization serving listed companies and other industry bodies in Hong Kong. The Chamber strives to promote sound corporate governance; function as an effective communication channel between listed companies and regulatory authorities; strengthen the commercial linkage and foster cooperation among listed companies from Hong Kong and China and uphold Hong Kong's position as an international trade, commercial and financial centre. Since 2007, the Chamber organises the annual "Hong Kong Corporate Governance Excellence Awards" jointly with the Hong Kong Baptist University to advocate best practices of corporate governance and recognize excellence, and from 2008 organises the annual "Listed Companies Conference" to provide a forum of discussion of stock market issues.
