

Professional Certificate in Fashion Design and Illustration (90hrs)

65019C

Fashion design and illustration are two of the most essential tools to add value to fashion servicing companies including fashion merchandising and sourcing agents, and fashion marketing and branding companies. The course aims to provide a practical and efficient platform for learners to learn and grasp the essential techniques which include fashion research, design development and presentation techniques, and design illustration skills to balance the virtual fashion ideas in an aesthetic approach with professional standards.

By the end of the course, practitioners have to complete a fashion design portfolio that can also be used for employment interviews for fashion design and related positions.
