

## Professional Certificate in Innovative Furniture Design (90hrs)

65025C

The meaning of a piece of furniture is not solely a product or a device to fulfill the physical needs of human being. It is becoming an art piece and a collected item reflecting the lifestyle of the owner.

This course aims to provide an intensive programme for students to understand the background of furniture design, to stimulate creativity, to acquire user-needs and advanced knowledge and skills in the production process. Students will also learn the global trends in furniture design.
